There are way to many programs out there that only use 1 to 3 of the **must have 4 reasons** in their programs...that's why they fail, and sadly the people who join these programs fail with them.

A FREE \$15.00 MB IS YOURS if you buy 4 or more MB's to go with it. If you buy 5 MB's **you would now own 6 MB'S.** If you own 4 or more MB's **you can keep the \$15 Money Box to offer to your potential customers this can double your joining rate that doubles your income** because people will join under you to receive that Free MB. With owning 5, 6 7 or 8 MB's this would **Guarantee you "Every-Time" your MB's will be bought and your paid.** Any remaining MB's **will go on their flyers** that they will mail Free for you!

For what it cost, as low as \$50, to own 6 MB's & receive the Free \$15 MB **is nothing compared to the income you can earn & the hundreds to thousands of flyers being mailed Free or you!** *If you buy 1 more MB this gives you 7 MB'S! And we all spend more than \$60 on things of no real value when we could be earning income with it! And people will spend 7 to 8 times that \$60 by joining losing program after losing program.*

Longterm Income For You The Money Box program **is owned and ran by the people in the program,** not by a company or an individual. **And with all members mailing flyers for each other, all members can keep receiving non stop income from each others efforts for years.**

Plus, on the flyer above the MB's is a powerful sentence "Offered by(your name) order from me if you would & receive a very valueable extra bonus-Thank you!" Believe me, **this sentence really works & people will buy your MB's to get that extra bonus!**

For everything & more that it offers I think you can see why the Money Box System is **Truely a Flawless, Winning Program That Pays All Who Joins!** And with **99% of the work done for you by having flyers mailed Free for you and with it's Huge joining rate-"You Can't Lose"** *******IT ISN'T WHAT IT COST TO JOIN, IT'S WHAT YOU'LL EARN THAT COUNTS!!******* Grab a pen and join in with us now.
