

For Women Only

To all our Women Friends who know how to Dream and Create their own Reality. Ordinarily, you might ignore these letters, but this one is different. It is only to Women and it is Friend to Friend.

At THG Funding we see women being huge players in the Mail Order business and we have tailored this program to help women in building their own income and independence. Each needs Money for something specific. Jill Nelson ran this letter, legally, four times last year. The first time she received about \$10,000 and other times about \$17,000. If this letter continues as it should, Everyone Profits.

Let me tell you the details. Follow these Rules and in a few weeks you should be about \$10,000 RICHER. This letter should give you about \$10,000 because you receive Money each time someone joins on Five levels! As your down-line increases, more and more women will be mailing for themselves and you too! By the time the Fourth Woman joins under you, your Mail-Box will be Flooded with Dollar Bills!!

You Can Start Now

When your name reaches the first position, you will have collected a lot of Dollar Bills. They should be sent to you by 10,000 Women Like Yourself! Most Women received \$7,000! Beside your name, include the specific thing for which you need the money.

Here's how it works! To get started all you have to do is send \$3.00 CASH Gift and a copy of this flyer to each person on the list below. Also send \$3.00 CASH and a filled out copy of this flyer to the MONITOR. This is monitored to ensure it's integrity and your rotation on the list. Then a MASTER COPY with your name in the number 5 position will be sent to you. The more you send the more you will make. The official Master Copy will have a Lady Logo watermark behind the names. Any thing else has been altered. Do not send money if the watermark is not "whole".

Come on Ladies,

Get Busy and Get Results!!!!
