

How to Realistically Earn...

\$11,550 in 90 Days or Less!

Imagine...ALL of Your Money Problems GONE! Now...and Forever!

What if there *really was* a Realistic Way to make \$11,550 in the next 90 days or less...would *that* get your attention? Do you feel that what you are doing *right now* will give you this kind of income potential? If you're like most people, you answered YES to the first question and NO to the second one.

Are you ready for the truth? Don't you truly feel sorry for the guys and gals out there who are looking to make some honest money from home nowadays? Why? Because of all the **crap** they're going to be exposed to along the way. If they are on anyone's mailing list, they get *bombarded* every single day with money games, pyramid schemes, all those illegal gifting programs...the list goes on and on.

That doesn't mean that *all* the opportunities are bad. It just means that people's brains get *scrambled* by all the *crap* they get in the mail on almost a daily basis. They soon find themselves (you included), with a "yeah, right..." *warning light* that goes off in their heads...every time something new comes along.

"Earn 6 figures from home fast and easy!" (*Yeah, right...*)

"Get rich simply mailing our postcards!" (*Yeah, right...*)

"Get in on the Ground Floor and be rich in 6 months!" (*Yeah, right...*)

"See your mailbox stuffed with cash every day of the week!" (*Yeah, right...*)

This is the Hardest Job I've Ever Had...

So what makes this letter different from all the rest? Well...first and foremost, we're going to give it to you straight. That's right. As *boring* as it may seem here in black and white...we're going to give you the truth. We really **are** going to show you how to make over \$11,500 in the next 90 days or less.

We're even going to take a *chance* and risk a "**Yeah, right...**" and show you *exactly* how to create a monthly income of more than \$10,000 per month in the next 6 months or less. And that *residual income* will **continue** to grow and grow...month after month. And it will NOT cost you *an arm and a leg* to get started.

If it's such a hard job...how can you expect people to do it? Great question! I haven't finished my story yet. *Making the money* is the **easy** part. If you can follow *simple* directions, then you can make the money. Anyone can. Again, making the money is the *easy* part. The *hard* part is...getting you to *believe* that it's *possible*. The great Napoleon Hill said, "*Anything the mind can conceive and believe...it can achieve.*" Are you a believer?

You **can** make \$11,550 in the next 90 days or less. I believe in you 100%. Now, all we need to do is make sure that *you* believe in yourself. That's part of the reason why we're going to offer you a "Double Your Money Back Guarantee"! Just for checking us out! But we'll get to that later on. For now, let's talk about how this *can* and *will* work...for you. It's working for *others...right now!* Why not you?

Personally, I think that the phrase... "*You're in the right place at the right time...*" gets used way too often. But, in this case, it is *absolutely true*. There are several things that need to come together in order to make money in this industry. You do need to be in the *right place at the right time* in order to reap the *biggest rewards*. But there is *something else* you'll need in order to make the kind of money we're talking about. A GREAT PROGRAM!!!

What Makes a Truly GREAT Program?

- First of all, it has to be **affordable** so that the average person can afford to join. Our program costs *less* than a night out on the town. *Anyone* can afford to join. And monthly payments are **not required!** You only pay quarterly. Yet, you *get* paid daily, weekly and monthly! NO other program can make that claim!
- With the high cost of mailing, it has to pay out **hefty commissions**. Our program pays out 100% commissions through *infinity*. No more tiny MLM checks! It doesn't get any better than that!
- The program needs to be **designed to last**. We are here for the long haul! Don't throw your money away in MLM *black holes* that are here today and gone tomorrow. This program is *made to last*.
- Finally, people shouldn't have to *wait* to get paid. Most companies send you a check at the end of the month. Not us. You make a sale *today*...you **get paid today**. And your income potential is *unlimited!*

Real Testimonials from Real People...

Ralph Foster from Pittsburg, Pa.

Of all the programs that I've been in, this is the first one that I ever made money with. In fact, I made over \$600 my second week...and I'll make more than \$3000 by the end of the month! This program has changed my life!

Pamela Burchette from Baton Rouge, La.

I'm so glad I found this program. I'm a single Mom and 3 months ago I was desperate and broke. I was worried that I wouldn't be able to pay my electric bill. Now, I'm making over \$3500 per month and it keeps growing! God Bless this program! I have never seen anything like it before. I think my banker is jealous now! (smile)
