

# American Cash Letter

## Unlimited \$50 and \$100 Payments

- Since 2002
- **Mail letters > instead of internet marketing.**
- Proven plan brings in multiple **\$50 and \$100** payments, *impossible to fail*.
- FREE stamps and FREE Mailing lists.

11 years ago, I put this plan together to assist marketers with their mailing costs. It got such a great response- I mailed it everyday and it's been working ever since. If your happy with **\$50-\$200** a day then listen-up: This program is for the mail. It is 100% legal and legitimate. **It works every time.**

- Here are the basics about this program.
- **You can earn HUGE PROFITS:** Unlimited \$50 & \$100 dollar payments.
- **EASIEST, fastest, program around:** Takes less than 1 hour, no personal contact with anyone.
- **COST:** About \$150- + 60 first-class U.S. Stamps - and then you get free mailing lists and FREE stamps.  
(envelopes/printing extra)

### NO MAILING LIST TO BUY (or stamps)

You are wondering how this is possible, *right?* Well, this program is the best thing I have ever seen to get a lot of cash very quickly and legally. There are only two (original) levels with this program.

Start @ the \$50 level (#2) > then \$100 (#1)

**It works. Period.**

It's more realistic and much faster because it's so easy. The net response is VERY HIGH AND VERY FAST.

And I have eliminated the biggest expenses: *stamps and mailing lists.* NO excuses allowed!

*You can afford \$150 and 3 books of stamps!*

**Trust me; you can't afford NOT to join!**
