

# The Marketer's Co-op Cash & Stamp Generator

## LEVERAGE \$40 & 40 STAMPS INTO THOUSANDS!

**\$813,800?**

That's the potential earnings from this simple yet powerful cash and stamp program! If you were to get just 5 people who got 5, this would be the total amount of cash you would receive, plus 81,380 first-class stamps! (*This is actually an unlimited width program...your potential earnings are UNLIMITED!*) What if you got 10, 20 etc, you do the math. Most people say this amount of money is an exaggerated example of the potential income a person can make...so here's a more realistic scenario of what can happen: Say it took 10 years to do this? You'd have made \$81,380/year & received 8,138/year in postage stamps!...Now you see the potential and the possibilities! Many people will make this quicker and some may take longer and make less. But as geometric progression accelerates—so will your income! Mathematically speaking when your name moves to each paying position your income will "seriously" grow exponentially, thus creating a CASH EXPLOSION & TONS OF STAMPS!

And just to give you some real-up-to-date facts from a \$5/5-level pay program ran by a good friend of mine. His Program has paid members over \$300,000 in 18 months!...not bad for a five dollar program!

That's the power of geometric progression and why it works. This concept is like gold—it increases in value the longer you have it! The small fee of \$40 & 40 stamps is worth the price and many will build long-term incomes and receive tons of FREE postage stamps from their participation in this program. All income & stamps will come directly to you, no middle man, just a great little program with HUGE potential and first-class admin service for everyone. So if you are an active Mailer, Marketer, Networker, Cash-Gifter or Opportunity Seeker, you can position yourself to start receiving an unlimited cash-flow of money & stamps in the mail everyday! Get Started Now!
