Features of our Premium Mailing List:

- * The addresses are fresh (60 days old at the most).
- * The addresses are those of genuine opportunity seekers and buyers taken from our own database.
- * The addresses are guaranteed deliverable. We will replace every undelivered address (sixty) with five new ones.
- * No duplications/repetitions - each address is different and none has been repeated.

Get paid to promote our list!

When you order our mailing list, you also get an opportunity to earn \$20 per order on three levels. You will receive a camera-ready master copy of this circular with your name & address and ID code printed at Level 1. The payments will come to you direct and in cash sent to you by new customers. Since all three levels are pay levels, and everyone receives cash payments direct, this program will move fast and you could accumulate a handsome amount as your name progresses from Level 1 to 3 on circulars mailed by you and other customers in your downline. So you get a double benefit when you purchase our mailing list - fresh addresses to promote your offers and an opportunity to earn cash at three levels. The mailing list is supplied in label format, computer-printed on paper, ready to be cut-out and pasted.

BONUS: You will also receive the exclusive special report *Database Riches - How To Generate Big Profits With Your Mailing List*. Also included is a CD featuring software that enables you to create compelling, order-pulling sales letters to promote or sell any product or service you offer. An outstanding value worth \$97. Not to be missed!
