

CO-OP PRINT & MAIL FOR THE BIG EASY

And All My MLM Businesses. (Samples of All \$2.00 + 3 F/C Stamps.)
ALWAYS FREE CHECKING COPIES FOR EACH GROUP!

To help you build your downline and accelerate the potential gifts you could receive from THE BIG EASY, I put this co-op together. Many people become discouraged and frustrated, when they attempt to promote any program, because of cost and the feeling of helplessness when they don't see immediate success. They feel they're all alone and simply give up. I won't let this happen with our business. It will be affordable for everyone and by working together we'll get our offer out to the whole world and receive the awesome gifts I described in the program.

HERE'S HOW

The chart below lets you know the circulation I will print and mail a copy of THE BIG EASY and cost per entry. When I receive 4 requests for P+M per each circulation, I will place all 4 ID #'s, IN THE ORDER WHICH I RECEIVE THEM, on a BIG EASY circular and submit it for print + mail. When people join I'll send all 4 their gifts. The beauty of this co-op is you can be on as many co-op circulations month after month as you can afford and depending on when I receive your request, you'll always be rotating between positions 1 to 4 on circular after circular. There is simply no telling how successful it can be as all of us support this effort. Also, when you mail by first class mail, include a copy of this circular. It will DEFINITELY help your sponsoring.
