

### Helping One Another

( We can easily get one new sign-up monthly for six months )

( Six people enrolled on your first level is all you ever need )

### WE ALL SPONSOR ONLY SIX PEOPLE

( Six people is all you need to build a lucrative monthly income )

( Six people who get six through five levels deep is monstrous )

( 6 x 6=36)+(36x6=216)+(216 x 6= 1296)+(1296 x 6 = 7776)=9330 people

9330 people x \$5 each= \$46,650/month

### THAT ADDS UP TO \$46,600 PER MONTH PROFIT\*\*

( A large volume required but at the rate of one a month it is possible )

( The fact is that once this starts to build you can't stop it if you try )

( You can build your matrix as fast as you want )

(Sponsor more than six, they go in the next available spot in your matrix)

\*\* By law, I cannot guarantee that you will receive the amount stated, (but the figures don't lie).
