

CASH & STAMPS GALORE

IS A WELL ORGANIZED AFFORDABLE LEGITIMATE THREE LEVEL GIFTING AND STAMP PROGRAM ESPECIALLY DESIGNED FOR ALL MAIL MARKETERS

Offering an excellent stamp program, which is necessary because postal services and stamps are a major expense for the mail marketer. It's very affordable, it isn't one of those programs that charges you a \$100.00 or more just to join, or one of those so-called 1 up programs where the money you receive goes to someone else from your first referral.

When you join, we put your name and address in one of three priced boxes or if you wish you can get all three boxes by sending a money order with the word "GIFT" (this step is necessary to keep it a legitimate gifting program) along with the amount of forever stamps and the bottom portion of this flyer to the person in the box. If you want more than one box, you will need to make copies of the flyer to send out the bottom portion to each person. You fill out the information and send the top portion of the flyer with \$10.00 & 10 forever stamps to Ultimate Images Marketing. We will send you a master copy of the flyer with your name and address in the box or boxes you have chosen so that you can make copies to send out to others. We also monitor the program to keep it cheat-proof by calling the person to make sure that they received their money order & stamps that you sent.

This program is affordable for all mail marketers. If you are a new and struggling mail marketer, who can only afford a small amount on a mail marketing opportunity, you can join for an overall total of \$30.00 & 30 forever stamps for our least expensive business plan. With this business plan, you receive a \$20.00 money order & 20 forever stamps from each member you bring into the program. It is the kind of opportunity where you can join the least expensive business plan and work your way up to the most expensive plan.

If you are a more experienced or a veteran mail marketer, you may want to choose one of the two remaining business plans that we offer. The mid priced plan where you receive a \$50.00 money order & 40 forever stamps for each member you bring into the program or the most expensive plan where you receive the maximum amount of a \$100.00 money order & 100 forever stamps from each member you bring into the program.

As stated above, this mail marketing program is very affordable for all mail marketers with an excellent stamp program which is also a big plus for mail marketers. It is a legitimate gifting program where you receive tax-free money as long as you follow the proper steps to keep it legal by reporting it as a gift on your money order so you can take advantage of the gift tax loophole. According to federal tax laws, a person may give up to a \$13,000.00 gift a year to another person without any tax penalties. That is why we recommend that you use money orders with the word "GIFT" on the memo line. Since we don't send out any 1099 tax forms, you are responsible for your own taxes. You should make copies of the money orders you receive and keep them as proof, that it was a gift in case the IRS wants to know. These are the measures you must take to keep everything legal and not be falsely accused for tax evasion.
