

# Paying It Forward

***Service to others is the foundation of wealth. People helping people is what this program is all about.***

Dear Entrepreneur:

Paying It Forward is a great opportunity to serve others, and that is exactly what this program is all about. We have all heard that, "It is better to give than to receive". Helping others just naturally makes you feel good. Paying It Forward will make you 'feel good' about yourself and at the same time help you to build your wealth.

When you give to others, they simply feel obligated to repay. Paying It Forward will bring us together so we can all prosper. There are many mail order operators that make \$50,000, \$100,000 or even more per year. Now, at last, is your opportunity to do the same simply by 'Paying It Forward'!

I urge you to **join today**. MLM is now a \$50 billion industry. This is your chance to get in on the ground floor of this opportunity and get your share. Lock in your position **NOW!**

### Here's How It Works

The \$20.00 bills and 10 First Class stamps go directly to YOU! Here's what you do:
