

JAKE'S FOREVER BIRTHDAY CLUBS

**CLUB #1
FOREVER**

Once you join one of *Jake's Forever Birthday Clubs* there is no one on this earth who can replace your name. When you join **You Become A Lifetime Member**. If by some chance you are no longer with us a family member can replace you with family notification. Each Club is made up of 12 Lifetime Members. Your position in any of the Clubs is based on the month you were born. So what you have to do is **send the #1 Monitor \$3.00 Cash at: R&D, 17347 Sprenger, Eastointe, MI 48021**. The Monitor will print your name under the month of your Birthday. Once you join a Specific Club Number as shown above in the right corner, YOU are a Permanent Member in your Club Number. **Many Friendships will start because of our Lifetime Clubs.**

The Best Part. Below are 4 Columns of Birthday Months with a name listed. If there is no name listed in your Birth Month you can join OUR Specific Club Number. **If you join**, make out a Money Order for \$10.00 to each of the names in your Birth Month Column **and also a \$5.00 Money Order** to the person who mailed this Birthday Flyer to you. That person spent time, effort, money, and stamps to mail you this opportunity. Once you have purchased the 3 Money Orders for your Birth Column, photo the 3 Money Orders on the back of this Flyer and send each Member this flyer + their \$10.00 Money Orders. A simple way for each to Monitor our effort. If there is extra space on the back also photo copy the Money Order of the person who mailed this letter to you.

If there is no space for a 4th Money Order, place their Money Order in a separate small envelope addressed to the person who sent you this Flyer. Affix one First Class Stamp to their envelope. **Do Not Seal The Envelope** Place their envelope in the envelope you mail to the **#1 Monitor: R&D** who will inspect the envelope for proper amount, then immediately seal the envelope and mail their Money Order + a new updated Flyer.

Each Club Member can help out other Members. Some Members will have more experience than others and can help the Club to distribute more Flyers at a Lower Cost. Help each other out. You can even share in the cost of more Professional Distribution. Keep in contact with each other. Share thoughts and ideas.

So, If your not in any one Club, You can join us, even if Our Club is Closed. Send the #1 Monitor Your \$3.00 Cash. Don't forget the 3 Money Orders to your Birthday Club Column and the Money Order for the person who sent you this Flyer. You can Start Your Own Club with a NEW Club Number. The #1 Monitor will mail you a New Flyer with your escalated number. **If you are Changing your Address**, send the #1 Monitor your Club Flyer + your address change + **\$3.00 Cash**. He will send you another Flyer. It will be up to you to mail your NEW Flyer to your fellow Club Members and inform them to use the NEW Flyer, rather then previous Birthday Flyers.
