

THE TOTAL PACKAGE

TURN \$25 INTO A COMPLETE DOWNLINE BUILDING SYSTEM AND UNLIMITED INCOME

THE TOTAL PACKAGE is the ultimate network marketing program. It combines a multistage 2 X 3 forced matrix downline program with a complete downline building service, a feeder program and more. This is clearly going to prove to be one of the fastest moving and most profitable network marketing programs of all time. To get started you purchase your package for the one time cost of \$25. For this you will receive 5 separate profit producing entries into our 2 X 3 forced matrix downline. All 5 of these entries are strategically placed for maximum performance. Your 1st entry will go in the first open position in our on going group matrix. Your 2nd entry will be placed on your first level below your 1st entry. Your 3rd entry will be placed on your second level below your 2nd entry. Your 4th entry will be placed under the person just to the left of your first entry to help this person complete their 2 X 3 and cash out faster. Your 1st four entries will start in **STAGE 1**. Your 5th entry is automatically upgraded to a **STAGE 2** entry. Each time one of your entries completes a 2 X 3 matrix you are cashed out. At this time your earning will be mailed to you with the option of upgrading this entry to a higher stage and earning more from it or you can just put the money in your pocket. It is all up to you. This is a feeder program as well and each time you complete a stage an entry into another profit producing network marketing program will be made for you. No one will be left behind.
