As you see above you will make \$600 everytme you cycle through all 3 levels and will automatcally be re-entered into Cash Builder 1 again so you can keep generatng \$600 over and over. Now let me show you how to X-cellerate this amount to the X-Treme with the

Fast Cash X-cellerator program. When you cycle Ca\$h Builder 3 we create 8 new positons in Ca\$h Builder 1 for you. After the first time you cycle you wil now have 9 positons making you \$600 over and over and when they cycle again you will have 81 positons then 729...etc. Now double this example because for your one-time membership fee of \$75 you start off with 2 positons in Ca\$h Builder 1!
