

An open letter from Dwight S Allen, mailorder insider since 1969...

“I want to give you my top mailorder success secrets FREE!

Plus a FREE DEALERSHIP paying you automatic backend commissions.”

Mailorder needs a shot in the arm. Folks like you need to start making money so our country can get back to normal. So, I created a **giant mailorder stimulus info pak** stuffed with so much priceless information my wife insisted I should just make a manual out of it and sell it for \$100.

Nope! Instead, this info pak is **FREE** to anyone willing to part with just ten dollars to help out with the postage and printing.

Now... I won't mind at all if the information in this package encourages YOU to buy my books or try out my copywriting service. But, the real purpose of this is to stimulate business activity to the benefit of us all.

As long as I can afford these ads, here's my offer... "Send me ten dollars to help out with postage and printing and I'll rush you my **giant mailorder stimulus info pak.**"

Here's just some of what you'll get... FREE...

- How one sheet of paper can double your mailing response.
- The #1 secret insider mailing method sure to explode your profits.
- How to make more money by increasing the weight of your mailings.
- The bundling technique that turns loser products into winners.
- Sneaky insider technique that gets inquiry names for pennies.
- Why you need to be selling info-products.
- Dozens of dealership opportunities.
- Lots more that's good to know.
- A FREE 80% dealership with automatic backend commissions.
