

# OPPORTUNITIES WANTED NAME EXCHANGE!

This is an easy way to receive –

**Thousands of \$1 bills!**  
**Tons of Money Making Opportunities!**  
**Thousands of FREE names for your mailing list!**

Here is how it works. Send your name and address, with a \$1 bill, to each person listed below. Include this note: Please send me your best Money Making opportunities. I am joining the name exchange program.

One of these persons is the program director. That person will send you a copy of this circular with your name and address at the bottom of the list of names.

Print and mail at least fifty copies. The more you mail, the more you make. When people send you \$1 bills, with the note, mail them your best Money Making circulars. Your name will rotate up through all positions.

As your name rotates, you will receive thousands of \$1 bills, thousands of FREE names for your mailing list, and tons of Money Making Opportunities.

With this program, the BEST part is that your mailbox will be stuffed with CASH orders for your own Money Making Opportunities.

Please send your name and address, with the note, a \$1 bill (no checks) and a copy of this letter to each of these members. Thank you for participating in this exchange program.

If you are too busy to mail copies, you can have your copies printed and mailed by a reliable print and mail dealer. For example, Herbert Ehlers will have 1000 copies printed and mailed by Bulk Mail for just \$20. He will also typeset your name and address in the number five position. Plus he will send you a Free checking copy.

Send a copy of this circular, with payment of just \$20 to: Herbert Ehlers, 117 Lowry Road, Anderson, SC 29621. Be sure to include your name and address. With your copy, Herb will include a Free copy of his report, How To Make \$1000 A Month Selling Mailing Lists! Free reprint rights are included. This report normally sells for \$3. Please send cash, stamps, or a money order.

**VERY IMPORTANT!** Please include a copy of this letter with each request. That tells the Director which persons to place in the other positions on your copy of this letter. This requires a small effort. Considering the tremendous potential CASH return, it is worth the extra effort.
