

# **OPPORTUNITIES WANTED NAME EXCHANGE!**

**This is an easy way to receive –**

**Thousands of \$1 bills!**

**Tons of Money Making Opportunities!**

**Thousands of FREE names for your mailing list!**

**Here is how it works. Send your name and address, with a \$1 bill, to each person listed below. Include this note: Please send me your best Money Making opportunities. I am joining the name exchange program.**

**One of these persons is the program director. That person will send you a copy of this circular with your name and address at the bottom of the list of names.**

**Print and mail at least fifty copies. The more you mail, the more you make. When people send you \$1 bills, with the note, mail them your best Money Making circulars. Your name will rotate up through all positions.**

**As your name rotates, you will receive thousands of \$1 bills, thousands of FREE names for your mailing list, and tons of Money Making Opportunities.**

**With this program, the BEST part is that your mailbox will be stuffed with CASH orders for your own Money Making Opportunities.**

**Please send your name and address, with the note, a \$1 bill (no checks) and a copy of this letter to each of these members. Thank you for participating in this exchange program.**

**If you are too busy to mail copies, you can have your copies printed and mailed by a reliable print and mail dealer. For example, Herbert Ehlers will have 1000 copies printed and mailed by Bulk Mail for just \$20. He will also typeset your name and address in the number five position. Plus he will send you a Free checking copy.**

**Send a copy of this circular, with payment of just \$20 to: Herbert Ehlers, 117 Lowry Road, Anderson, SC 29621. Be sure to include your name and address. With your copy, Herb will include a Free copy of his report, How To Make \$1000 A Month Selling Mailing Lists! Free reprint rights are included. This report normally sells for \$3. Please send cash, stamps, or a money order.**

**VERY IMPORTANT! Please include a copy of this letter with each request. That tells the Director which persons to place in the other positions on your copy of this letter. This requires a small effort. Considering the tremendous potential CASH return, it is worth the extra effort.**
