

SIMPLE SOLAR DEVICE SAVES YOU BIG BUCKS!

COMPLETE PLANS PROVIDED TO BUILD YOUR OWN!

My Plans Will Show You "How-To" Build A Simple Solar Device To Heat Your Home Which Could Save You \$1,000 Or More In One Winter Season. I Made Mine From Scrap. All I Had To Buy Was The Paint. The System Is Easy To Build And Takes No Special Skills. The Drawings Are Done On A Computer, So They Are Presented Professionally And Easy To Read And Understand.

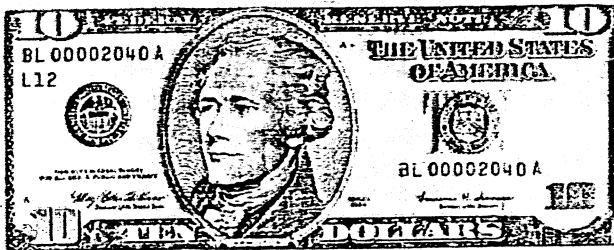

Why Not Make And Sell These Units To Others And Make A Lot Of Extra Money. You Also Get Reprint And Resale Rights Which Authorize You To Sell These Plans Yourself For Additional Profit!
