

National Independent Retirement Fund

Monthly residual payouts!

NEW, NOTHING LIKE IT!

Presented by THG Funding of Western New York

For those of you retired or planning to retire in the future. If not retired this could be used as an additional stream of income, a second income or replace your current income entirely.

Receive Monthly Benefits of \$15,000 or more for **premiums of \$25 and a \$5 administration fee**. Yes, you read correctly **\$15,000 or more Per Month...** that's **\$180,000 per year**.

The *Independent Retirement Fund* is brought to you by THG Funding, which was formed in early 2005 by a group of retired professional and business people. Our goal was to preserve our wealth and build additional income. The *Independent Retirement Fund* helps to eliminate financial struggles today and builds wealth for your future and your retirement. Just follow the plan and be consistent.

The plan is quite simple. We are looking for people to make long-term commitments and the desire to receive monthly payouts up to \$15,000 or more for premiums of just \$25 per month. We can all build a strong monthly income.

Here's how the plan works. First, THG Funding of Western New York monitors this fund. THG Funding monitors the fund to ensure integrity and your rotation on the premium disbursement list. Your official Master Copy will have our DOUBLE CIRCLE watermark over the names. Do not send money if the Watermark is not "whole". It is virtually impossible for someone to cheat this fund.

The first step in building your *Independent Retirement Fund* is to send a **copy of this page** and **\$5.00 CASH PREMIUM to each person** on the list below and also send a copy and **\$10.00 CASH ADMINISTRATION FEE to the MONITOR** (\$10 at enrollment and \$5.00 thereafter). These are monthly premiums and you will receive your monthly benefits in the same manor from people that you enroll. If you **enroll your first 5 people within 4 weeks of your enrollment date**, the Monitor will send you a **\$50 CASH BONUS** for doing a good job. This is like your first two months premiums FREE and those 5 will each send you \$5.00 monthly and **this will cover your 3rd month's premiums**. It's like **building your business FREE**.

The monitor will send you a Master Copy, by first class mail, with your name in the # 1 position. All you have to do is make copies and send them out. There is no restriction on how many people you can enroll.

Your goal is to enroll 5 as soon as possible as per the 5x5 income example.

$$4 \times 4 \times 4 \times 4 = 1024 \times \$5.00 =$$

\$5,120 per month

Can you find just 4? Of course you can!

If in the example, you did a 5x5x5x5x5 (5 enrollees who each did 5)

*Your monthly income would jump to over **\$15,000 per month!***

THIS IS THE MAGIC OF LEVERAGE AND COMPOUNDING!
