

Modern Day GOLD RUSH!

We're no longer on the Gold Standard.
Our Currency is backed only by our faith in the government. The best way to hedge against Inflation and Decreasing buying power of the dollar is to Buy Gold and Silver...very expensive.

Another way to hedge against the decreasing buying power of the dollar is to accumulate lots more dollars. Your current dollars and savings accounts won't be worth as much in the coming months and years. So our plan is to create an enormous amount of dollars for our future.

It is a very simple plan and it's inexpensive to do. Just follow the directions below and start checking your mailbox for envelopes containing YOUR \$10.00 bills.

Here's all you have to do: Send each person on the list below a \$10 gift (CASH) with a note saying, "THE GOLD RUSH IS ON". Also send the Monitor \$10 (CASH) with a filled out flyer. This is a monitored program to protect the integrity of the program and your rotation on the list. Our double circle logos are placed over the names to prevent someone placing their name over yours and cheating. Only the Monitor can make changes without disturbing the circles.

You will receive a Master Copy with Your Name in the #1 position. Make copies and start mailing them to Opportunity Seekers. As we receive orders your name will move down the list and be replaced by the person you recruited. They will be mailing flyers also and your name will be on their flyers...this happens through 7 levels. You could have 100's, 1,000's even tens of 1,000's flyers being mailed with your name on them. If you only sponsor 7 people (not that hard to do) and they did the same through 7 levels...THAT'S OVER \$8 MILLION DOLLARS.
