Secret Societies have been the Protector of the Realm for many Centuries. By joining Our Society you can become a Protector of Your Own Domain. By networking with Our Society you will build Your Fortune and Treasures for You and Your Family.

In today's economic environment it's difficult, if not impossible, to support and maintain a lifestyle you desire on just one income...assuming you still have a job. Additional streams of income are required that don't drain the family time.

Our Income Producing Programs are helping thousands and they can help you also in providing fortune and treasures for your family. Enrollment is by invitation only. By staying low key and by invitation only we are creating Wealth for Us and Thousands of Others. All you must do is believe and participate as the program calls for.

Here's how it works: Send each Member \$7.00 CASH. Also send the Monitor \$7.00 CASH. This is a monitored program to ensure the Integrity and Your Rotation on the Society's List. The Monitor will setup your account, manage the program and mail new Master Flyers to your enrollees. This program can very quickly produce Tens of Thousands of Dollars. If you enroll just 6 people and they do the same through 8 layers...that's over \$40,000,000.00! (FORTY MILLION DOLLARS) (Any portion of that is HUGE). That's the power of compounding and leveraging the efforts of many and Other People's Money (OPM). **NOW YOU KNOW WHY WE DO THIS!!!**

The Monitor will then mail your Master Flyer to you with your name in the #1 position. Have copies printed and start mailing them to Opportunity Seekers. The members you enroll will send you \$7. Then they're placed in #1 position and you move to #2 and their new members each send you \$7, on and on through 8 levels. Every flyer they mail will also have your name. You couldn't stop this if you tried. You could have thousands or maybe tens of thousands of flyers being mailed, by other people, with your name on them.

Your Official Master Copy will have our Double Circle Logos over the names. Anything else has been altered. Do not send money if the Watermark is not "whole". It is virtually impossible for someone to cheat this program.
