Hello Friend,

My name is Ted Geno

I would like to tell you about The Ca\$h Elevater

A program that was created so the average person could have a chance to pocket some extra cash without a lot of effort involved. As you well know most programs are geared for the heavy hitters. With Ca\$h Elevater you only need to sponsor two people and those two people only sponsor two which gives you six people and they follow you through 5 levels and cycle to do it again over and over. This is not a get rich scheme. I'm sure you have had your feel of those types of programs. What you will get is a chance to complete 5 levels only taking 6 people each level and earn \$700 each time you and your 6 people complete all 5 levels then go back to the start level and do it again over and over. What else do you get? You receive a flyer and postcard master plus a ad sheet with your referral link on them and the use of our website to bring your prospects to. You never have to talk to anyone unless you want to. We take the calls when someone responds to your ads or mailings and close your deals for you placing them in your downline. Your referral link takes them to our website where they can join under you with Paypal or credit or debit card or send money order. No monthly fee for this service. Your one time payment of \$10 pays for it all. This is truly a chance of a lifetime opportunity. Where else could you get any offer like this for only \$10. You do not have to have a computer to do this.
