Signing One Form!

It's true... I receive checks EVERY month for doing absolutely NOTHING but sitting on my lazy butt! Okay, I actually do a tiny bit of work for it... about "15 MINUTES" per year... yes... only "15 MINUTES" per year!

And the checks NEVER stop gushing in... to the tune of \$791,286 so far... and I could easily QUADRUPLE (4X) that if I wanted! This is 100% TRUE and FACTUAL in fact, I will send you a copy of my IRS 1099 tax form to VERIFY it! Yes, it's now possible for any U.S. citizen to receive a bonafide "Bank Of

America" check EVERY month for the rest of their life! Back in 1995, I signed just ONE simple form, and have received an AVALANCHE of checks EVERY month without fail... for over 21 years! Just "ONE" signature... and \$791,286 was handed to me on a silver platter! And it only requires about "15 minutes" of easy work per year! What kind of work? No wrestling alligators, bullfighting, or juggling chain saws blindfolded... in fact, it involves just counting some numbers... like this... 12345678910 and so on! No, I'm not pulling your leg! It's so simple a kid can do it! The confidential funding source is LEGALLY REQUIRED to send me a check EVERY month without fail! And you can easily DOUBLE, TRIPLE, or QUADRUPLE your monthly checks! Anyone can do this... (even my daughter Holly does it and has been getting a check EVERY month for the last 3 years!) This CASH is rightfully yours and NEVER has to be paid back! It's NOT a loan, grant, investment, selling, gambling, MLM, cash gifting, real estate, nothing to join, and has NOTHING to do with any websites! And there is absolutely NO money required to do it! If you could use a hefty check EVERY MONTH for working about "15 minutes" a year... you'll be shocked at how truly easy this is... just like my daughter Holly was! Over the past 20 years, I've uncovered other "Cash Activation Forms" that are virtually UNKNOWN to the public

sector that bring in big checks... Here they are: Form #A potentially pays you up to \$791,286 in spread out monthly payments! Form #B potentially pays you up to \$10,000 each time... ANY TIME! Form #C potentially pays you up to \$104,000 the SAME DAY! Form #D potentially pays you up to \$20,000 a month... just write down this Digital Code # on the form: W14Q512 and drop it in the mail! Form #E potentially mails you checks for up to \$3,600 a day! Form #F potentially mails you checks for up to \$1,000! Form #G potentially gets up to \$400,000 "wired" into your bank account the NEXT MORNING! That's over (7) different "CASH ACTIVATION FORMS!" Now, good business sense dictates if one program flops, you've got to have a Plan #B! For example, if you're going skydiving, and are about to jump out of the plane, and you have only (1) parachute, what happens if it fails? "SPLAT!" However, if you've got 7 parachutes on your back, the odds are far greater you're going to achieve success! All you need is (1) form to strike oil... but imagine if all (7) "Cash Activation Forms" struck oil! Do these forms really work? Take a peek at my \$1,750,000 mansion, my Mercedes GL550, and BMW 760i... what does that tell you? (You'll see a copy of my 1099 tax form as PROOF that I get these checks monthly!) I cannot legally promise earnings or guarantee results, as results vary... you could make less, or you could make a lot MORE! I like to sleep late and choose to work only "15 minutes" a year... I spend my time shooting hoops with my boys, having tea parties with my baby girl, restoring classic cars, or sitting in a hot bubbling jacuzzi with my wife. If you need help with any of my easy forms, I'll help you fill them out and walk you through every step... and I won't charge you a dime extra!
