"The Most Powerful & the Strongest Stamp Program on the Market Today!" Dr. Steven Berkowitz

This flyer is the "Insurance Marker" you need to add as an insert to your current mail order program. It gives you the "Second Punch" you need to help build yourself a strong downline and/or business. Its main function is to help offset the cost of your future mailings and expenses incurred that are usually expected in mail order, e.g., printing, envelopes, overhead, STAMPS, etc. It is also an added benefit to any business because it serves the same purpose as if you were buying insurance for every one of your mailings! *Imagine having a single sheet of paper that can be inserted into any one of your mailings that will not only save a sale but will also supply you with first class stamps for your next mailing! That is precisely what THE AMAZING STAMP MAXIMIZER does. And it will also pay for the envelopes and printing! It also has universal appeal because it works hand-in-hand with any other mail order program and/or business. Even if you don't have a current offer, THE STAMP MAXIMIZER also works miracles being sent by itself!*

HERE'S HOW IT WORKS!

First, your name or business name is custom-printed on position #3. Next, you insert the AMAZING STAMP MAXIMIZER into 1000 pieces of your normal mailing. By having THE MAXIMIZER alongside your original offer, you are Maximizing the potential of your total response! This will no doubt help you continue mailing and staying in business at minimal cost. Not having THE MAXIMIZER included in your mailings would be the same thing as living on beach front property with no flood insurance! Let's say you get a 1% response, that's 10 people. They each send you \$40.00 and 10 first class stamps. That's 100 stamps and \$400. They are all in position #3 & you are now in position #2. They all insert their flyer in 1000 of their own mailings, that's 10,000 more pieces, and they also receive a 1% response. This means another 100 people are now involved and each sends you \$40.00 and 10 first class stamps. That's \$4,000 more & 1000 first class stamps! They are now put into the #3 position, moving the previous 100 to position #2 and you to #1. They all insert THE MAXIMIZER into 1000 of their own mailings & their 1% response brings in another 1,000 people who each send you \$40.00 & 10 FC stamps. That's \$40,000 & 10,000 first class stamps.
