Increase Your Profits With A Mailing List That Pulls

Could the offer you are now making through the mail use fresh names and addresses of Hotline Opportunity Buyers less than 30 days old?

Why waste your time and money using old mailing lists? Most of the burnt-out dropouts on older lists have tried a few programs, lost money, and quit mail order. They no longer respond, even to a quality offer like you are currently making.

Responses from our national ad campaigns are coming in by the 1,000's. All across America, men and women are looking for ways they can make extra money working from home.

Motivated by need, what they need most right now is for someone like you to show them the ropes. Aren't you the logical person to show these "eager seekers" how to take advantage of a good offer like yours and make some extra money?
