And Then Be Able To Borrow From Dozens Of His Successful Ads And Letters To Come Up With Your Own Successful Kitchen Table Mailorder Project?

. . . Imagine opening your mailbox to find it stuffed with envelopes. It takes both your hands to hold them all. Then you spread these envelopes on your kitchen table and begin tearing them open. You find some inquiries (letters from people asking you to please send more information). But cash, checks, and money orders fall out of half of the envelopes . . . like magic . . . right in front of you.

. . . This Is Real! -- Yes, You Can Make A Decent Living . . . Even

An Honest-To-Goodness Fortune . . . From A Kitchen Table

Mailorder Business . . . Almost Overnight.

. . . You really can make a lot of money really fast. How about mailing a one-page sales letter and getting back \$1400 in orders for every thousand mailed? Make decent money while you build your customer list. Then turn around and earn another \$5,000 to \$10,000 over and over by mailing again to your customer list. I've seen these kinds of results from my own mailings.

. . . What Could You Do With That Kind Of Cash

Every Month, Week Or Every Day?

. . . Making money in Mailorder is really simple, but most people who try Mailorder end up losing money because they don't take the time to learn how it works. There are plenty of ways to do profitable Mailorder. But by the same token, there are lots of ways to screw it up.

. . . After 46 Years In Mailorder, I'm Going To

Spill All The Beans . . . What Works And What Doesn't.
