

IT JUST DOESN'T GET ANY EASIER THAN THIS!

This program was designed with simplicity in mind. Make a lot of money and you won't have to pay taxes on a single dime of it. It is a gifting program. The IRS states that we can receive up to \$11,000.00, tax free per year, from anyone giving money as a free gift. Since you won't be receiving but \$50.00 from any one person that joins this program, it can all be received tax free.

This is all you need to do to begin earning additional *tax free* money from this program. Sent the person in the #10 position a money order in the amount of \$50.00. Move all the names down one space and put the persons name in that you are sending your money order to in the "I GOT PAID" position. Now, place the money order that you are sending to the person in the #10 position on the bottom area of this circular, that says "Money Order" and photocopy it. This is how everyone will know that you actually mailed your gifts and is also how we are all going to be able to monitor this program for integrity. Now, the very last thing you need to do to make your gifts tax free, is to write a short note that states: "*Thank you for the new opportunity. Please accept this \$50.00 as my free gift to you.*" Now mail it to the #10 person along with your \$50.00 money order.

FOR THOSE THAT ARE INTERESTED! If you would like to have your circular adjusted professionally, we will completely adjust your circular for you. Simply send this page to us along with your name, address, and a photocopy of your \$50.00 money order made payable to the person in the #10 position. Also insert \$5.00 cash for this service and mail it to: TYPESETTER – PO Box 2469 – Kingsland, GA 31548. We will make the necessary changes and put it back in the mail to you the same day it's received in our office.
