

THE ADVANCEMENT SYSTEM (TAS)

The TAS Membership Project consists of ONE program with three phases. There is a one time membership fee of \$25, which is all a member will ever have to pay out-of-pocket. Your product is 30 mailing leads for the \$25 fee.

Purpose of the TAS Membership Project is to advance members. Each member is required to sponsor at least 2 new members and must do so to qualify for the Phase III earnings. All members are placed in the 2x4 matrix as received, however you are required to sponsor two members to be eligible for the Phase III benefits. No recruiting is necessary for being paid on the first two phases, however it is unlikely your upline would recruit enough people under you for you to cycle and get paid.

Recruiting and sponsoring people to this program will be very rewarding. Every time your sponsored people cycle you receive a \$20.00 check. It should not be difficult to sponsor two people or more for a one time entry fee of \$25.00. You can use our mailing service if you prefer not to do it yourself.

After you have completed Phase III you are given three more entries back into phase one.
