How To Leverage \$25 Into \$1 Million In 3 Easy Steps!

Dear Fellow Wealth Seeker,

I could not find the program that dreams are made of, so I created it myself! Who I am is of no importance. What is of importance is whether or not this will work for you. The only way to know for sure is to try it. All you must do is send \$5 cash or money order to #1; \$10 cash or money order to #2, and \$10 cash or money order to the monitor with copies of this letter containing the Security Codes of the payments you send and wait for them to return copies of the letter to you as verification that they received their cash. That is the confirmation to you that they have received their cash.

After you have receive confirmations and have been verified by the monitor...

A: The monitor will promote the person from Box #1 (Junior Partner) to Box #2 (Senior Partner)

B: Place your name in Box #1 as the new Junior Partner

C: Make a copy for you to recruit to get enough returns to pocket a profit and advance to "Phase #2," the Management Phase where you learn how to be a better Money Manager. Plus, you receive **90 mailing leads** as your product **right now** to help you get a **Fast Start!**

Phase 2 is where things begin to get really exciting. You don't have to get the upgrade money all by yourself. The people who join with you, your Junior

Partners will assist you. Each time they receive a payment, you will too. For example, when you get ten who each get ten, you will have received 110 payments and that's \$1,050 of which you will keep \$450 and use \$600 to advance to Phase Two.

How It Works:

Phase 1:

Level 1 - You get ten sales: $10 \times \$5 = \50

Level 2 - Your ten each get ten: $100 \times \$10 = \$1,000$

(You keep \$450 and use \$600 to advance to Phase 2)

Phase 2:

Level 1 - You receive $10 \times \$100 = \$1,000$

Level 2 - You receive $100 \times \$500 = \$50,000$

(You keep \$40,000 and use \$11,000 to advance to Phase 3)

Phase 3:

(CONFIDENTIAL FOR PHASE 2 MEMBERS ONLY!)

Note: this is just an example of how it works. There is no limit to the number of people who can join with you.

Send copies of this letter with your Payments to each member in the boxes below and a copy to the monitor.

Your security codes are the last 4 digits of the serial number on the money order or the bills (\$5 or \$10 bill).*

If sending more than one bill, the last digit of each bill.

This is one of the **Best Opportunities** around today! Don't put it off and Join us **TODAY!** *Thanks!*
