

STAMPS 4 U

➔ Cut a big chunk out of the **BIGGEST EXPENSE** in mailing! ⬅

Bring in HUNDREDS of First Class Forever stamps by inserting this program when mailing your program flyers! It... **COSTS NOTHING** ... to insert this program!

FREE Forever Stamps for you!

How it works:

When you join, you will receive a camera/ready copy of this flyer with your name as sponsor. You copy and mail your **STAMPS 4 U** flyer with ALL OFFERS you mail, no matter what program you mail!

The number of stamps you receive from each response with potential examples (the numbers could be higher or lower, depending on how many you mail):

- #1. When a new member (Level 1) joins from your flyer, you will receive 40 Forever Stamps.
[Example: 5 people sign up x 40 stamps = 200 stamps to you]
- #2. Then, from all the people they sponsor (Level 2) you receive 20 Forever Stamps from each of them. [Example: 5 people sign up 5 people = 25 people x 20 stamps each = 500 Stamps to you]
- #3. The next group that follows: (Level 3), when the number of people is much bigger... you receive 20 Forever Stamps from each of them. [Example: 25 people sign up 5 people = 125 people x 20 stamps = 2500 stamps to you]

Potential Total from 1, 2 and 3 = 3200 stamps!
The 200 stamps from 5 people in example #1 is just the beginning!

This stamp program could reduce your postage costs to the point where you can send many more mailers with less or no postage costs! It could potentially reach the point where you may not need to purchase stamps!

If you could mail for free, how many more would you mail? If those who sign up with you in any given program could mail for free, how many more would they mail to make money for you?
