LADY LUCK AND HARD WORK

Hard work and perseverance are undoubtedly important in business, but spotting new opportunities can be half the battle.

- Thomas Jefferson, 3rd president of the United States, said, "I'm a great believer in luck, and I find the harder I work, the more I have of it."
- Thomas Edison, American inventor said, "Opportunity is missed by most people because it is dressed in overalls and looks like work."

The point of sharing this with you is to let you in on something special. You see, in direct mailing of Income Producing Programs...LUCK plays a big part of your success...in as much as you must find the right people who want you enroll in your programs. How do you find these people...by putting your overalls on, rolling up your sleeves and do mailings to potential enrollees. The more invitations you send out the "LUCKIER" you will be in finding new members.

Use this LADY LUCK program to create treasures and fortunes for you and your family. No matter your past, this program can create the CASH needed in your life for...retirement, housing, healthcare, vacations, etc.

How does this work? Very simple—just send \$10 CASH and 5 F/C Stamps to each member below and \$10 CASH and 5 F/C Stamps to the Monitor. The Monitor will setup your account, manage the program and mail new Master Flyers to your enrollees. Your Official Master Copy will have you in the #1 Position and our Double Circle Logo over the names. Anything else has been altered. Do not send money if the Logo is not "whole". It's virtually impossible to cheat this program. You couldn't stop this if you tried. You could have thousands being mailed by other people with your name on their flyers.

YES! I want to receive hundreds of thousands of dollars and hundreds of thousands of First Class Stamps. I have made a copy of the flyer for each person...listed below and have sent **\$10 CASH and 5 FIRST CLASS STAMPS** to ***Each Person and to *the Monitor.** If you enroll just 6 new members and they duplicate your efforts 8 levels deep...through the 8th level you would have collected more than **\$15,000,000 CASH—NUMBERS DON'T LIE.** GET STARTED TODAY AND CREATE YOUR LUCK FOR TOMORROW IN CREATING WEALTH AND TREASURES FOR YOURSELF.
