

Social Security Going Broke!!! Who Cares???

Let us show you how easy it is to make an extra **\$30,000 to \$50,000**

Super FAST and EASY!!

Working together we can help each other build more monthly income than most people receive from Social Security.

Your name could be circulating on thousands, tens of thousands. Do it TODAY!

The Government is telling us that **Social Security is going broke...**and they are trying to save it by reducing benefits! For those that receive it (**it's broke**) and for those yet to receive it (**it may be gone!**)

Anytime you need to generate \$2,500 to \$5,000 quickly...just mail this flyer. Continuous mailings create continuous income.

We need to help ourselves, the unemployed, and the senior citizens NOW before it's too LATE!

WE ALL NEED EXTRA CASH. THIS PROGRAM WORKS AND IT WORKS FAST!

This program was designed to be EASY and FAST. This is how we do it: You send each person below **\$10 CASH** wrapped in a copy of this program. You will receive your security income in the same manner.

You also send **\$10 CASH** to the Monitor: **THG FUNDING PO BOX 872 EAST AURORA, NY 14052**

This program is monitored to ensure the integrity of the program and your rotation on the list. We have placed a double circle watermark over the names...if this watermark is missing or incomplete ... DO NOT SEND MONEY! Send it to the Monitor for our review. This is virtually cheat proof.

After your **CASH GIFTS** are received, the Monitor will send you a Master Copy with your name in the #5 position for you to make copies and mail.

Do you think you can find 5 people that share your desire to build an alternate income to Social Security? Of course you can...that is not that hard to do. After your 5 here's an example of how that income is produced. Want more money? Mail more flyers!!!!

$$5 \times 5 \times 5 \times 5 \times 5 = 15,625 \times \$10 = \$156,625$$

Continuous Mailings create Continuous Income!!

This example only uses 5 as a base, can you find more than five...of course. Once this gets started, you couldn't stop it if you tried.
