**"WELCOME TO CASHVILLE"**

Glad you made it to Cashville! All of the businesses in Cashville are privately owned. However, they are all for sale. You may purchase one or all twelve. The more you buy, the more money you'll make when you sell them. If you can't afford to buy them all now, you can own them all eventually by purchasing them from your virtual real estate flyer as you earn the money to do so. When you own all the property/s, every sale from your flyer is profit for you! Those that buy property/s from your flyer will automatically advertise your properties when they advertise theirs! Use **Postal Money Orders** for larger amounts.

**This is how to get started:**

Circle the property/s you are purchasing. Send the money for that property/s directly to the Owner. Send this page or copy & \$10 to the Monitor for your C/R copies with your name as Owner under the property/s you have purchased. You will also receive a Vacation Certificate worth \$200 to \$500 dollars good at 40 Vacation Get-Aways of your choice! You will be notified when anyone buys your property/s. That will eliminate cheating!
