Mailing Lists are a Multi-Million Dollar a Year Industry!

We are in the Income Opportunity List Business, with close to one million leads available. We sell millions of leads. Now, YOU can get YOUR share of the profits by helping us find new customers. And it can be as easy as using our leads for your own personal promoting and using this mailer to REFER US to other mailers. You will earn 100% commissions on their initial orders, plus, ongoing residual commissions on all their reorders!

It's Easy and Affordable. Just Include this Flyer in all YOUR Mailings or Mail it on it's own to Other Opportunity Promoters!

Here is how it works: Our program is designed to fit any mailers needs and budget. Listed here are eight (8) lead list categories—300 to 1,000 leads each. Each list is represented by one of our list representatives. These leads are all priced at just \$10.00 per hundred, with the minimum list being 300 leads or \$30.00. You can purchase one or as many lists as you choose, depending on your needs. Then, if you decide to become a list representative, you will become the representative for all the list categories you have purchased, and you will receive a camera-ready copy of this mailer listing YOU as the "List Rep" for those categories on your mailer—FOR LIFE! Now, **Just mail out your mailer and start making money!**

Example: You need 2,000 leads and buy the 1,000, 600, and 400 lead lists—AND you choose to become a list representative. With your leads, you will receive "Your Mailer" listing YOU as the "Rep" for these three lists. Now, start mailing your mailer and if someone buys all three of your lists you will earn \$200.00 on that one sale! If they buy just one of your lists, you would still represent the two remaining lists on *their flyer* and now they would continue to advertise them for you! The more lists you represent, the greater the possibility of having others promoting for you. It is possible to have hundreds of other reps promoting your lists for you!

Guaranteed Payments—Paid Daily: When someone buys "your lists" from your mailer, they will make the money order payable to YOU, not us, and we mail payments the same day we receive them, guaranteeing you will get paid *FAST!* **It is very possible to receive multiple money orders per day!**

GETTING STARTED:

1. Check the lists you wish to buy and make out a money order (no checks) payable to each Representative of the lists you are buying. If you are buying multiple lists from the same Representative, you can use one money order for the total purchase to that person.
2. Include \$25.00 cash or money order payable to Smartz Marketing for administration of the program—tracking, processing orders, printing leads on "Peel & Stick" labels, shipping and handling, forwarding MOs, and preparing your camera ready copy of "your mailer" listing YOU as the "Lead List Rep", **if you have chosen to become a list representative.**
